## C.R. Kothari Memorial Charitable Trust

**Dear Friends & Well Wishers,**

*I extend my warmest greetings to all who have played a pivotal role in advancing the mission of our trust.*

*This year signifies a remarkable milestone as we have achieved our highest-ever disbursement of scholarships, exceeding Rs 90 lakhs and benefiting over 900 individuals. This upward trajectory in our scholarship allocation underscores our steadfast commitment to empowering deserving students year after year. I am heartened to see the continued generosity of our alumni, which reflects their unwavering trust and belief in our cause.*

*Our recent initiative, the Mentoring Program, stands as a testament to our dedication to holistic development. This initiative holds particular significance for our beneficiaries who studied in vernacular languages in school and may face challenges because of English as the medium of instruction in higher studies, despite their academic brilliance. Mentoring removes this hesitation, building their confidence and improving their overall personality. Through this endeavor, beneficiaries receive guidance in soft skills, enabling them to excel in group discussions and personal interviews, thereby complementing their academic achievements with essential life skills.*

*Furthermore, our support transcends the realm of academic excellence to embrace talent in sports as well. It fills me with immense joy to witness students from underprivileged backgrounds, particularly those from the Noida slum area, excelling in sports and securing admissions to top sports institutes across India. The inspiring success stories of individuals such as Ms. Laxita Sandeliya in athletics and Abhishek Waghela, who realized his dream of becoming a trained pilot from IGRUA (Indira Gandhi Rashtriya Uran Akademi), one of the best in Asia, serve as beacons of hope for us all. Additionally, we celebrate the remarkable achievements of Kushal Purohit from Baroda, Gujarat, who secured All India Ranks in CA Foundation, Inter, and Final exams, showcasing academic excellence from various corners of our country. These achievements represent just a fraction of the countless success stories we have witnessed.*

*In addition to individual triumphs, our trust remains committed to expanding educational opportunities for marginalized communities. Initiatives such as providing transportation facilities to Veerayatan Ossian, Rajasthan, and promoting computer literacy in villages of Almora, Uttarakhand, underscore our dedication to fostering holistic development at the grassroots level. Furthermore, we take pride in supporting students from Varanasi, Uttar Pradesh, and Darbhanga, Bihar, in their educational endeavors, witnessing their remarkable progress and achievements.*

*It is crucial to emphasize that our efforts are guided by the principles of equality and inclusivity. We firmly believe in extending support to all individuals regardless of their background, ensuring that no deserving candidate is left behind.*

*I extend my heartfelt gratitude to all our well-wishers, donors, volunteers, and associates whose unwavering support has been instrumental in realizing our vision. Your contributions have enabled us to create a tangible impact in the lives of countless individuals, and for that, we are sincerely thankful.*

*With warm regards,*

*Pradeep Kothari*
