

Trust Report April to June 2025

Impactful Scholarship Programs by the Trust

During this period, a total of ₹24.15 lakhs in scholarships were awarded to 126 deserving beneficiaries. The Trust successfully orchestrated two impactful Scholarship Programs, and a few direct scholarships for the above beneficiaries.

First Program: Professional Guidance for CA, CMA & CS Students

The first program was specially organized for 13 students pursuing professional courses such as CA, CMA, and CS. A total amount of ₹3.45 lakhs was disbursed during this program. The objective was to provide them with proper guidance and counseling to help build successful careers. We place special emphasis on selecting students enrolled in such professional courses, recognizing the importance of supporting their career paths early on.

Second Program: Scholarship Awards Ceremony on June 28, 2025

The second program, held on June 28, 2025, awarded scholarships to 76 students. We were honored to have special guests and beneficiaries, including Machhi Pranay and his parents, Captain Abhishek Waghela, and Gorkha Dinkal, Asian Silver medalist in Kickboxing, who inspired the current students with their stories. Esteemed dignitaries Mr. Kamleshji Zhabak, Ms. Heenal Thakkar, Mr. Bharatbhai Katdare, Ms. Purna Kothari, and Ms. Archana Kothari also graced the occasion.

Reinforcing Our Vision and Philosophy

Throughout these events, we clearly communicated the core philosophy and guiding principles of our Trust. Every attendee was welcomed into the fold of our vision, reaffirming our commitment to empowering deserving students through education and mentorship.

Mr. Kamlesh Zhabak guided students never to forget the sacrifices made by their parents and to respect them at all times.

Ms. Heenal Thakkar is a shining example of how one person can truly help another. She has consistently stood by Dinkal whenever she needed support.

Inspirational Stories from Our Beneficiaries.

Machhi Pranay, currently pursuing Computer Science at IIT Goa, shared valuable insights on his preparation strategies during the early stages of his studies, including how to effectively prepare for competitive entrance exams like JEE and NEET. He also emphasized the importance of avoiding distractions such as excessive mobile phone use. Pranay's parents, father an autorickshaw driver and mother a housewife, also addressed the audience, recounting the struggles and sacrifices they endured to support his education.

Captain Abhishek Waghela, a beneficiary who completed his training at India's prestigious Indira Gandhi Rashtriya Uran Akademi and is now preparing for his commercial pilot license, captivated attendees with his story. He set a powerful example, encouraging students to remain passionate and dedicated to their chosen careers. He also expressed his sincere thanks to the Trust for their unwavering support and belief in him.

Gorkha Dinkal, Asian Silver Medalist and multiple-time National Champion, was the highlight of the program. She shared her extraordinary journey of courage and perseverance. At the tender age of three, she survived a tragic accident in which her mother lost both legs and she herself suffered a serious injury to her right leg. Life became even more difficult after the sudden loss of her father, plunging the family into financial hardship.

Despite these immense challenges, Dinkal found her passion in kickboxing and went on to win multiple national medals. She has proudly represented India on international platforms in countries like Cambodia and Uzbekistan. Most recently, she attended a training camp in Italy, partially funded by the Trust.

Dinkal's integrity is equally inspiring—after 2022, she chose not to apply for further scholarships from the Trust as her school had waived all her fees, and she believed the Trust's support was only meant for education, not sports. It was only this year, when she approached the Trust for her college fees, that she got her Italy training camp partly sponsored by the Trust.

Her story is a powerful example of determination, honesty, and grace in the face of adversity.

All three beneficiaries passionately shared their perspective and inspired & motivated every attendee present.
